

# Daily Foaming Cleanser

The ideal solution to maintaining skin in optimum condition.

## PRODUCT INFORMATION SHEET

**Bioxyne Daily Foaming Cleanser offers a gentle deep cleanse suitable for daily use and particularly beneficial to remove make up. Utilising 100% naturally derived actives the cleanser delivers outstanding cleansing ability and yet leaves skin soft, smooth and unlike most cleansers moisturised.**

The advanced formula easily removes daily grime, dirt, pollutants and excess oils without drying or compromising skin quality. With its substantive deep cleansing foam the Daily Cleanser leaves no pore clogging residue and provides the ideal environment for the addition of moisturising creams and gels as well as make up.

Made from a unique combination of plant based materials, the Daily Foaming Cleanser is free of petroleum based cleansing agents, parabens, Sodium Lauryl Sulphates and other nasty ingredients generally associated with being bad for health and your skin.

Petroleum based cleaning agents

Harmful Parabens

Sodium Lauryl Sulphates

Nasty ingredients

Utmost care has been taken with the formulation of this product to ensure the skin barrier function is not disrupted – the prime responsibility of the skin barrier is to control the loss and retention of water within the skin – any disruption of this process places undue pressure on the skin with a resulting loss in skin quality.

Unlike many cleansers the Bioxyne Daily Foaming Cleanser assists in moisturising the skin by the use of an ingredient extracted from Sugar Beet called Trimethyl Glycine (or Betaine). This naturally derived ingredient helps to transport water within the skin to where it is required.

To assist in the prevention of breakouts Lavender oil, Manuka Honey and Aloe Vera are used. These natural materials all promote the calming of skin.

## SPECIALLY FORMULATED

Manuka Honey

Lavender

Sugar Beet

Aloe Vera

Respects the **integrity** of the skin barrier function

No harsh **irritants**

**Hypoallergenic & Non-comedogenic**

Suitable for **sensitive skin**
